*“Here is another outstanding page-turning mystery by T. M. Brown. It provides a more in-depth level of mystery and intrigue than Sanctuary and there are plot twists that will keep you guessing until the end...” —Lee Gimenez, Best-selling and Award-winning author of the J. T. Ryan Thriller series*

In this sequel to *Sanctuary*, *A Legacy of Memories*, Theo and Liddy are finally sinking deep roots into their new hometown of Shiloh. Friendships are blossoming as Liddy ponders an offer to become the new art teacher at Shiloh High; Theo sends off his manuscript for Jessie's Story. Life appears to be settling down, but ominous shadows from the town's past herald more tragedy lie ahead in little old Shiloh. Theo gets drawn into more Archer family drama after Dixie, Harold's estranged wife, arrives in town after abandoning her family twenty years ago. Dixie's mysterious arrival appears to be good for Harold's ailing health, while others become unsettled by Dixie's return.

*The testament of a man lies not in the magnitude of possessions and property left to his heirs, but the reach of his legacy long after his death. — Theo Phillips from the Shiloh Mystery Series*
