

IngramSpark

Indie Author Exhibit

A curated collection of books
published through IngramSpark

Within this booklet you will find a curated collection of titles featured at the American Library Association's Annual Conference & Exhibition in Philadelphia.

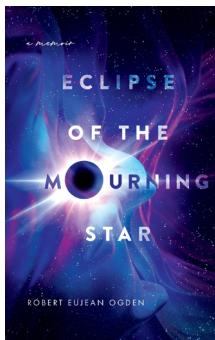

This booklet highlights an inspiring range of books published through IngramSpark, a platform that empowers independent authors and publishers to share their work with readers around the world. From debut authors to seasoned storytellers, the books showcased here represent a diverse tapestry of genres, themes, and perspectives.

We invite you to explore these works, discover new voices, and connect with the creative minds behind them. Whether you're seeking titles to enrich your collection or stories to spark conversation in your community, we hope this booklet serves as a valuable guide and inspiration.

To learn more, and to find a digital version of this booklet for easy ordering, visit ingramspark.com/indieauthorexhibitbooks

Happy reading, and enjoy the conference!

Eclipse of the Mourning Star: A Memoir

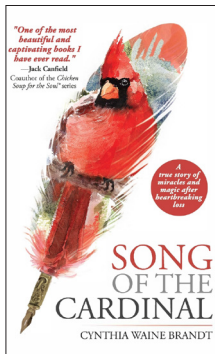

Robert Eujan Ogden

A powerfully emotional coming-of-age memoir, equal parts gutting and humorous in its recounting of murder, racial healing, glamour, romance, and even black holes. Illustrated by 33 world-renowned artists hailing from seven different countries.
